

AGREEMENT FOR ACADEMIC AND EDUCATIONAL COOPERATION
BETWEEN
RIAU UNIVERSITY
AND
TOKYO UNIVERSITY OF MARINE SCIENCE AND TECHNOLOGY

In order to promote further cooperation between Indonesia and Japan, Riau University and Tokyo University of Marine Science and Technology will conclude the following agreement on academic and educational cooperation.

1. To the extent feasible, both institution will encourage direct contact and cooperation. The following general forms of cooperation will be pursued:
 - 1.1. Collaboration of faculty and staff members for research, symposia and other academic pursuits.
 - 1.2. Exchange of students for study and research.
 - 1.3. Exchange of data, documentation, and research materials in fields of mutual interest, taking cognizance of existing policies of both institutions.
2. Detail of implementation of any particular exchanges resulting from this agreement shall be negotiated as each case arises. Final arrangements will depend on the availability of funds.
3. Specific programs or projects pursuant to the above areas of cooperation shall be covered by separate contract between the parties.
4. The agreement is set for an initial period of five years, and is subject to revision and renewal by mutual consent.

The agreement should be ratified in two original documents, both written in English language and being equally authentic. Hereupon, the signatures of representatives of Riau University and Tokyo University of Marine Science and Technology follow, in the spirit of promoting mutual friendship and cooperation.
